Black Hell

Danzig

It's gon' rain down like black hell
You don't know what it's like to be dead
I'm 'on teach you now, teach you well
You gon' learn how to live in black hell

If there's a demon in your brain
I think it's time to let it out again
And this world you know goes insane
Never ever gon' be the same again

It's gon' rain down like black hell
It's gon' rain down like black hell
It's gon' rain down like black hell
It's gon' rain down like black hell

It's gon' rain down like black hell
You don't know what it's like to be dead
I'm 'on teach you now, teach you well
You gon' learn how to live in black hell

It's gon' rain down like black hell
It's gon' rain down like black hell
It's gon' rain down like black hell
It's gon' rain down like black hell

It's gon' rain down like black hell
It's gon' rain down like black hell
It's gon' rain down like black hell
It's gon' rain down like black hell
