What the hell wrong with me? I got a fever of a hundred and three Got no bed, ain't got no time If you give me just a minute then I'll feel so fine I am the one who can take your heat I'm the one you'll never beat I'll give it to you straight, I'll look you in the eye If you give me just a minute then I'll show you why I'm a rough boy Oh, I'm a rough boy I'll give it to you straight or look you in the eye If you give me just a minute, girl, I'll show you why I don't care what you think of me 'Cause I'm the one who gonna set you free I'll give it to you straight or look you in the eye Oh, take a fuckin' minute and I'll show you why I'm a rough boy I'm a rough boy And I'll shoot it to you straight, I'll look you in the eye If you give me just a minute, girl, I'll tell you why I'm a rough boy I'm a rough boy I'll give it to you straight, I'll tell you no lie If you give me just a minute, girl, I'll show you why I'm a rough boy I'm a rough boy Oh, give it to you straight, I'll tell you no lie If you give me just a minute, girl, I'll show you fuckin' why I'm a rough boy I'm a rough boy Oh, I'll give it to you straight, I'll give it to you right

If you give me just a minute, girl, I'll show you why
