

# Tired of Being Alive

Danzig

Don't care  
If, and you die  
Ain't got no reasons to cry  
Don't feel  
Don't need to  
Your world ain't nothin' to me  
I'm fear  
I'm your heretic  
I'm doom waitin' for the number  
Seven up seven  
To six on six  
Bring it on to me

When I'm tired of bein' alive  
Spite of the bleedin'  
Bleedin' light  
When I'm tired of the bleedin' light  
Don't try to feed me  
Full of lies

No regrets  
To bring me no tears  
Never scared of a things men fear  
Never easy  
Never clean  
To be a beast among human sheep  
I am fear  
I am your heretic  
I am your doom waitin' for the number  
Seven on seven  
To six on six  
Bring it on to me

When I'm tired of bein' alive  
Spite of the bleedin'  
Bleedin' light  
When I'm tired of the bleedin' light  
Don't try to feed me  
Full of lies

And I'm tired of bein' alive  
Spite of the bleedin'  
Bleedin' light  
And I'm tired of the bleedin' light  
Don't try to feed me  
Full of lies

And I'm tired of bein', tired of bein'  
And I'm
