Unspeakable Shango Mix

Danzig

Don't you ever call upon
Things you shouldn't play with
Don't you ever look upon
Things that might offend you

Say what they don't like
Say what they don't like

Don't you ever, no
Don't ever call... (The unspeakable)
Don't you ever, no
Don't ever call... (The unspeakable)

Say what they don't like
Say what they don't like

Don't you ever question God
Or question how to pray
Don't you ever question laws
Question what they say

Say what they don't like
Say what they don't like

Don't you ever, no
Don't ever call... (The unspeakable)
Don't you ever, no
Don't ever call... (The unspeakable)
Don't you ever, no
Don't ever call... (The unspeakable)
Don't you ever, no
Don't ever call... (The unspeakable)

Say what they don't like
Say what they don't like
Say what they don't like
Say what they don't like
Yeah!
