When It Rains It Really Pours

Danzig

You know what it takes
You got it, baby
You are the only one I chose
I got a feeling for you, baby
And you're the only one who knows
About my troubles, troubles, troubles

When it rains, it really pours

When it rains, it really pours

You shouldn't have took away my loving
You know you thrill me from head to toe
You got what you wanted, now you left me
Well, that's the way the story goes
Well, I got troubles, troubles, troubles

When it rains, it really pours
