

## Ergo Propter

Daphne Loves Derby

while you were sleeping  
i stared into the darkness  
and wondered how i ended up  
with you so close to me

resting in your arms is the only  
this that comforts  
and shields me from this night  
so please, please stay  
and show me what it's like to be in love

(ba da bah..)  
i'd do anything at all  
just to catch you smile again  
you're the only thing that i can...
