

# All We Know

Dappy

I'm with the guys, I'm with the guys  
I'm with the guys, I'm with the guys

I'm with the guys, I'm with the guys  
Shout out to bros, let's get that dough (let's get it), that's all we know  
She got that loud, she movin' wild, she love the vibe  
If that's your girl (if that's your), then that's your L (then that's your),  
I wish you well

Long live the king (king), where have you been?  
Wha? Me? Where ya been?  
All around the world cause they pay me to sing  
Now I'm skrrtin' 'round town in the waviest ting  
'Member when I couldn't cop nuttin' expensive?  
And did shows just to cover the expenses?  
Now I embrace these seats cuz they looking all  
Pearly white like they were made by a dentist, ha  
You know the drill (oou), I been tourin' since I made Trill (hey)  
I might have the biggest smile on my face but you'll never know how I feel,  
ha  
Some of us learn it the hard way, had to search for the light in a dark place,  
ha  
All these bitches come and go that's why I roll with the... (skr, skr)

Roll with the guys (roll with the guys), I'm with the guys  
Shout out to bros, let's get that dough, that's all we know  
She got that loud, she movin' wild, she love the vibe  
If that's your girl, then that's your L, I wish you well

This bezel shines all through the nighttime, it's gon' be a dirty summer  
That lizzy opens doors so keep your queen on lock  
She'll only let off at the right time  
She'll do the crime, on my momma's life  
I was 'bout to chop it, but there's a time and a place  
She wants to kiss but there's money to chase  
She lives in the Capital - so she Xtra  
So you can imagine how many man try to finesse her  
Day after day she bad, wait 'til she lands in LA, mad  
Oh lord, all these bitches come and go that's why I roll with the...

Roll with the guys (roll with the guys), I'm with the guys  
Shout out to bros, let's get that dough, that's all we know  
She got that loud, she movin' wild, she love the vibe  
If that's your girl, then that's your L, I wish you well

We all go through highs and lows (yeah), I guess this the life we chose (yeah)  
And I done kick down doors before, so if I were you I would stay on them toes  
It's only right, I ain't gon' lie-ie  
And she wanna roll with me-ee (uh uh ah)  
But there's a time and a place, pssh you should see what's on her face  
She wanted a ring but I married the game  
One day I'ma get that crib in LA with a lake and a gate  
One door leads to another  
You can keep her to yourself it's nada  
Now you know how

All these bitches come and go that's why I roll with the...

Roll with the guys, I'm with the guys  
Shout out to bros, let's get that dough, that's all we know  
She got that loud, she movin' wild, she love the vibe  
If that's your girl, then that's your L, then that's your L boy

Then that's your L boy  
Then that's your L, then that's your L  
Roll with the guys, with the  
Then that's your L boy  
Then that's your L, then that's your L  
Hey
