This life's cinematic, mamacita wanna have it but my intuition
saying no way
She out here tryna work some brain, but I wasn't born yesterday
Give a fuck about a paigon, if you see me out raving just know
I know I'm busy out here getting paid
I ain't here tryna cut no shapes, I'm just out here tryna calcu
late

I just wanna say, I'm running a marathon this ain't a race
I'm tryna leave a legacy for my kids and pass on the baton like
Nipsey the great (like Nipsey the great)
I'm done with the fakes, I'm just tryna buy me some more real e

Your too interested in that benz, I'd rather invest in gold, br

Big bills to be paid, can't chill if the money coming in doesn'

Sit still, still mills to be made, I been shelling for a decade
and I'm till out here tryna bad 'em up

So whack out the calculator, cause I'm tryna calculate ya
Bring out the calculator, I'm just tryna calculate her

This life's cinematic, mamacita wanna have it but my intuition
saying no way
She out here tryna work some brain, but I wasn't born yesterday
Give a fuck about a paigon, if you see me out raving just know
I know I'm busy out here getting paid
