Really

How the fuck I bring it back, none of you thought this happened
and you know that's 'Straight Facts'

Took me to lose the spot light just to know who kept it real no
w everybodywanna pop bottles with me that ain't 'Trill'

Oh man now I got all this money to blow, splashed it all on Cal
i and designer that's 'All we know'

Revenge is sweet but you go runnin' to the constable, you love
to dip your fingers that's why no ones ever 'Comfortable'

I would beat freakz and trap off the 'Motorola' even up to now
the jakes love it when they pull me over try to hold me back th
ey can't accept the fact that I won, tell them 'Not today' I go
t a day of fun with 'My one'

She a good girl but fuck me like a gangster, once again she got
me "runnin' down a panther"
