

Yin Yang

Dappy

I say you look good , Then you kiss your teeth
You look me up and down as you flick your weave
Rude girl , body like the magazines
Bum looking ripe like it dropped from the apple tree
I was told I should never hit a lady
But I've never been a doormat , that's the way mom
raised me
Katy , Tracy , They knew they couldn't keep me so they
tried to keep my baby
See , them too were crazy , Alicia was feisty
So I found me the best of both worlds
That's a lie G
It's mad that she excites me
The bitch turn Jet Li when she fights me
My Yin and Yang why G
My certified rider , that's why I provide her
She says I only love her properly when I'm aside her
Damn right , I'm a king and my sex is on fire
So hush baby girl be quiet you're cool

You're nice
You're nice
Living in the fantasy life , Ka-Ching
This is why , I ask her , Whose shoes would you prefer
Oh boy , Real life , This real tour
Calm down I can hear them Jimmy Choos when you walk
You're black
You're white
Best of both types my Yin and Yang

I'm looking for this ride or die
Out of a billion of them , I need one by my side
Someone who's loving me for life
I need an attitude girl that can handle my thing right

So you say you the one , You the one , You the one
But if my life was in danger would you stay or would
you run
Are you down ? If you are we can ride with the Avalon
She blew my mind out this world like an Avatar
Look I've got an ego way bigger than your average man
Why should I make the effort ?
If she don't understand , Yeah I made the cheddar
She was Parmesan , Talk Trash
Cut the crap I aint a garbage man
Cause anything I say you find a way to turn the table
I aint saying I'm a sinner or any type of angel
I'm just saying you'll regret it , If you're ever
unfaithful
This is you and me G , So I beg you just be grateful
Cause anywhere I go you know you got an invitation
I wanna see you there , At my final destination
And you don't need a job cause I could be your
occupation
But if you fuck around I'll sack your ass without a
resignation

You're nice
You're nice
Living in the fantasy life , Ka-Ching
This is why , I ask her , Whose shoes would you prefer
Oh boy , Real life , This real tour
Calm down I can hear them Jimmy Choos when you walk
You're black
You're white
Best of both types my Yin and Yang

I'm looking for this ride or die
Out of a billion of them , I need one by my side
Someone who's loving me for life
I need an attitude girl that can handle my thing right

How do I slow this down ?
When I'm already in so deep and the position that
you're in is just right
Show me you can practice what you preach
Hurry up
Back it up , Back it up

You're nice
You're nice
Living in the fantasy life , Ka-Ching
This is why , I ask her , Whose shoes would you prefer
Oh boy , Real life , This real tour
Calm down I can hear them Jimmy Choos when you walk
