

True Self

Dara Maclean

I wanna love myself
I wanna trust myself
The one you're jealous for
One you've perfected Lord

Naked and unashamed
Believing my new name
Clothed in righteousness
You've never seen anything less

Take off your coat
Take off the old
You're already clothed
He calls it good
Take off your coat
Take off the old
You're already clothed
He calls it good

Now I can love myself
Now I can trust myself
Jesus is trustworthy
He is alive in me

I died to the old me
Now it's Christ you see
Jesus is trustworthy
He is alive in me

Take off your coat
Take off the old
You're already clothed
He calls it good
Take off your coat
Take off the old
You're already clothed
He calls it good

You don't need to be freed
When you know the works complete
You're not a sinner saved by grace
You've been totally remade
All the pain from the past
Those are just filthy rags
That's not true, no
That's not you

You don't need to be freed
When you know the works complete
You're not a sinner saved by grace
You've been totally remade
All the pain from the past
Those are just filthy rags
That's not true, no
That's not you
That's not true
That's not you...

You don't need to be freed
When you know you're complete
You're reborn and beloved
You are good enough
You can't change or repay
The gift of his grace
You are seen, you are loved
You were born the beloved
