

# Ashes

Dare

I can't take it, I can't take it anymore  
Nothing changes  
Still the way it was before they say  
A flame burns in my heart  
Outside my window grows so dark  
I don't believe this anymore  
I don't know

Nothing ventured  
Nothing ventured, nothing gained they say  
No pretending  
No pretending things can be the same  
So they say

A flame is burning in my heart  
The promises, they tore apart  
I don't believe this anymore

There'll come a time  
We're gonna rise from the fire  
Wasted our lives away  
And they're never coming back, oh no  
Out from the ashes in the fire, no  
Now it's gone too far

Nothing's sacred  
Nothing sacred in their eyes, they say  
No excuses  
Just the truth behind the lies, oh yeah  
A flame burning in my heart  
Outside my window grows so dark  
To hold me now, like dead before  
I can't take this anymore

There'll come a time  
We're gonna rise from the ashes  
We threw our lives away  
And they're never coming back, oh no  
Out from the ashes in the fire  
Now it's gone too far  
Now it's gone too far

I can't take it  
I can't take it anymore  
Nothing changes  
Still the way it was before they say
