

# Deliverance

Dare

Follow the sun to the river, yeah  
The sun that streams a light upon your face  
Just before you turn into your sacred place  
You showed me the sun again, oh yeah

Those broken dreams lie behind me, now  
I can't forget them, and I don't know why  
Just because we walk beneath a different sky  
We follow the sun again, yeah...

And we walk into the sun, searching for a better world  
(Searching for a better world my love)  
Could it be we've really found deliverance, in your eyes  
(In your eyes, in your eyes, my love)

And we'll stand beneath the sun  
Waiting for a better world  
(Waiting for a better world, my friend)  
Could it be we've really found deliverance  
In your eyes, in your eyes  
In your eyes, in your eyes  
I've found the light, in your eyes...

I've found my life, I've found deliverance  
I've found my life, I've found deliverance  
Oh yeah...
