

## Dublin

Dare

I remember the day when I landed and prayed by the harbour  
With my eyes burning bright  
To streets of gold  
And my heart was filled with the stories of truth and freedom  
It's where I found my heart  
That's where I found my heart

And when we dance, my love  
We'll dance together  
Our silent hearts will sing  
Until tomorrow comes  
And if we fall, my love  
We'll fall together  
And won't surrender  
No matter what they do

I was just seventeen, when I sold her my dreams by the altar  
With my eyes burning bright  
With black and gold  
And our hearts would fill with the stories of truth and freedom  
That's where I found my heart, yeah  
That's where I found my heart

And when we dance, my love  
We'll dance together  
And in our hearts we'll sing  
Until tomorrow comes  
And if we fall, my love  
We'll fall together  
And we won't surrender, no, no  
No matter what they do

Do you remember when  
We heard the music play?  
Do you remember when  
I did the song of love?  
Do you remember  
Do you remember when  
Do you remember when

And when we dance, my love  
We'll dance together  
And in our hearts we'll sing  
Until tomorrow comes  
And if we fall, my love  
We'll fall together  
And we won't surrender, no, no  
No matter what they do

Do you remember when  
We heard the music play?  
Do you remember when  
I did the song of love?  
Do you remember?
