

# Lies

Dare

Standing alone  
Inside this empty room  
Counting the days  
Since you've been gone  
I gave you blood from stone  
Don't wanna spend  
My life without you  
But I can't go on  
Living your lies  
I know the reason why  
Don't you know I see it in your eyes

Don't wanna listen to your lies, oh baby  
Don't wanna love your disguise, oh baby  
We're running out of time, girl  
Ain't got forever  
But I see it in your eyes  
Everytime you cry  
It's only lies

When you were gone  
You know, it hurt so much  
I needed you, then  
Still need you now  
You sheltered me from harm  
You gave me strength to carry on

Don't wanna listen to your lies, oh baby  
Don't wanna love your disguise, oh baby  
We're running out of time, girl  
Ain't got forever  
But I see it in your eyes  
Everytime you cry  
It's only lies

Don't wanna listen to your lies, oh baby  
Don't wanna love your disguise, oh baby  
We're running out of time, girl  
Ain't got forever  
But I see it in your eyes  
Everytime you cry  
It's only lies

Listen to lies  
Listen to lies, baby... Oh baby  
We're running out of time, girl  
Ain't got forever  
But I see it in your eyes  
Everytime you cry  
It's only lies  
It's only lies
