Bad

Darin

Your butt is mine, gonna tell u now
Just show your face
In broad daylight
I'm telling you
On how I feel
Gonna get your mind
Don't shoot to kill
I'm telling you
Just watch your mouth
I know your game
What you're about

And they say the sky's the limit
And to me that's really true
But my friend you have seen nothing
Just wait till I get through

Because I'm bad, I'm bad you know it
You know I'm bad, I'm bad you know it
You know I'm bad, I'm bad you know it, you know
And the whole world has to answer right now
Just to tell you once again, who is bad

The word is out
You're doin' wrong
Gonna lock you up
Before too long,
Your talk is cheap
You're not a man
You're throwin' stones
To hide your hands

And they say the sky's the limit
And to me that's really true
But my friend you have seen nothin'
Just wait till I get through

Because I'm bad, I'm bad you know it
You know I'm bad, I'm bad you know it
You know I'm bad, I'm bad you know it, you know
And the whole world has to answer ri¢i¢ght now
Just to tell you once again, who is bad
