

# Give You Up

Darin

I don't wanna give you up  
I don't wanna give you up

Said the words I can  
Never take them back  
Even when I hate you I still love you, that's a fact  
Dress me up in black  
You're never coming back  
See you at the funeral for everything we had

If I had a time machine  
I'd be warning me about your promises  
'Cause you don't know what trust  
You don't know what faith or what honest is

I never wanted to love you  
I never wanted to give you quite this much  
After all that we've been through  
I know, I know that I could not give you up

I never meant to be so deep  
I never wanted to rely on your touch  
After all that we've been through  
I know, I know that I could not give you up

You are the one who chased  
You are the one who led  
You are the one who's given up  
And you are the one who left

I gave you my best  
But you gave me less  
I should've left you  
The day that we met

I never wanted to love you  
I never wanted to give you quite this much  
After all that we've been through  
I know, I know that I could not give you up

I never meant to be so deep  
I never wanted to rely on your touch  
After all that we've been through  
I know, I know that I could not give you up

I don't wanna give you up  
I could not give you up, give you up  
Yeah

If I had a time machine  
I'd be warning me about your promises  
'Cause you don't know what trust  
You don't know what faith or what honest is

I never wanted to love you  
I never wanted to give you quite this much  
After all that we've been through

I know, I know that I could not give you up

I never meant to be so deep

I never wanted to rely on your touch

After all that we've been through

I know, I know that I could not give you up

I don't wanna give you up

I could not give you up, give you up

I don't wanna give, I don't wanna give you up

I don't wanna give you up
