

## How Did It Come To This (miss My Baby)

Darin

Ah com'on Yeah  
Wow ooh Noowoowh  
How can we live like this?  
Ah com'on Yeah  
Can we live like, Wow ooh, this

Why did it end like that, did you want me for that  
Just go away, found some other hoo-pay  
I stick to my taste, you were wrong  
You should've go and look at me, you know it all comes back ho (ho)  
Say you gonna go in my way  
But hey I keep it getting better (oh)  
Til you go and play dice for my name  
Got my car, got my house, got my everything  
Took it all from me, ho  
Makes me like this, all swilly from doing it  
Cause I thought you were better than that  
You really had me fooled girl

I allways knew you were out after something  
Thought it was my love, but it wasn't  
Now you got it anyway, took it all away

How can we live like this, if it isn't what it is  
How did it come to this, yeah I miss my baby  
It is all so crazy that you left me  
Try to fight it, but you wanted to win  
Even though I don't want it  
I must confess that I saw it coming  
Every day every every night  
Everytime I see, and I miss my baby

Ah com'on  
Wow ooh, Wow ooh, Wow ooh  
Ah com'on

This is what I call a surprize  
Cause you really had me fooled, yeah (yeah)  
You took it all away, blew me of like that  
I'm too sad, but I must go apart  
You will probably go down down down  
Oh yes you will, cause I have this last feeling  
Of what comes around, goes around  
And you will probably go down down down (yeah)  
Tell me what's you after (oh)  
I don't think it's just the things,  
Cause in the end you gonna have to settle down, baby (yeah)  
I'm gonna be just fine, I wont let you get me like everybody else  
You really thought you could get me broken, forever (oh)

I allways knew you were out to something  
Thought it was my love, but it wasn't  
Now you got it anyway, took it all away

How can we live like this, if it isn't what it is  
How did it come to this, yeah I miss my baby  
It is all so crazy that you left me

Try to fight it, but you wanted to win  
Even though I don't want it  
I must confess that I saw it coming

Everytime I see, and I miss my baby

Make me wanna go away stay the way, hey hey

All comes back cause, you wanted me for this

Cause you play play play play play (oh)
