

I Can See U Girl

Darin

I can see you girl
Watchin' through your television
Smiling with your friends thinkin' I don't notice
But I got your full attention

So let me tell you girl, after the make-up
And lights come down
I just want to run away and do whatever
We want

I want to take you to a spot where
We can chill outside
Or we can see a movie I know that's what you like
If that's what your into - then that's what I'm into
Cause I know you like me girl, and you know that I do to

[R:]

I want to run down the street, get to the end
Where we meet
I want to watch you smile, that makes my life
Worth while
Feel so complete when with you, you always
Know what to do
I just want to say today, Baby I love you

I can feel you girl
You got your arms wrapped up around me
Tellin' all your friends I'm the one you dig
And how I make you oh so happy
Well let me tell you girl, I'll try to never
Ever let you down
You can always trust me cause I'll never break your heart

I want to take you to a spot where we
Can chill outside
Or we can see a movie I know that's
What you like
If that's what your into - then that's what I'm into
Cause know you like me girl,
And you know that I do to

[R:]

So many people tryin' to pull at me
Pullin' at the same time
I try to tell about you girl but
They don't understand out love NO!

I know that you're not really here but
You're only in my dreams
I hope that you one day, will step out and
Come my way...
