```
Be careful with my heart
It isn't say she's making her way in my head
Dangerous game I should drop and walk away
I'm not the same the wish my every interest stray
In the back way now all that I can do is play
She's in my head 24/7 with her you like it or not
It isn't ok
You play a dangerous game
Got me hangin' like a voodoo puppet on the string
It isn't ok
You got me losin' my way
I'm a prisoner I'm stuck inside you labored oh
I see the sun
I'm smiling but I'm terrified
She's in disguise
An angel with a devil's touch
The way I hide
Like??? I won't lose my side
I'm goin' blind
I know she's messing with my mind
She's in my head 24/7 with her you like it or not
It isn't ok
You play a dangerous game
Got me hangin' like a voodoo puppet on the string
It isn't ok
You got me losin' my way
I'm a prisoner I'm stuck inside you labored oh
Be careful with my heart x8
