

# Satisfaction

Darin

Loving you is automatic  
You're so good I've got to have it  
Build it till I reach that satisfaction

I, I don't know what to do about  
The way that I've been feeling now  
When I think about you  
I, I don't think we could be friends  
Cause I want something different  
When I think about you

The kind to make you hide your wedding ring and take it off  
Make me feel hard when I used to be soft  
Said that I want, but I know that I wouldn't  
Make me act bad when I wanna be good  
Bad, Bad, Bad, when I wanna be good

Loving you is automatic  
You're so good I've got to have it  
Build it till I reach that satisfaction  
You're so hot give me the fever  
Started shallow let's go deeper  
Tease me till I feel that satisfaction  
Satisfaction  
Reach that satisfaction  
Satisfaction  
Reach that satisfaction

Why are you dressed up like all my dreams  
I wanna see what's underneath, what am I to do  
You, you do enough to lead me on  
Is it right or is it wrong  
Wanting you like I do

The kind to make you hide your wedding ring and take it off  
Make me feel hard when I used to be soft  
Said that I want, but I know that I wouldn't  
Make me act bad when I wanna be good  
Bad, Bad, Bad, when I wanna be good

Loving you is automatic  
You're so good I've got to have it  
Build it till I reach that satisfaction  
You're so hot give me the fever  
Started shallow let's go deeper  
Tease me till I feel that satisfaction  
That satisfaction, satisfaction  
Reach that satisfaction

While we're young and stupid  
Let's keep it moving I love what you're doing, doing  
While we're young and stupid  
Let's keep it moving I love what you're doing, doing

Loving you is automatic  
You're so good I've got to have it  
Build it till I reach that satisfaction

You're so hot give me the fever  
Started shallow let's go deeper  
Tease me till I feel that satisfaction

Loving you is automatic  
You're so good I've got to have it  
Build it till I reach that satisfaction  
You're so hot give me the fever  
Started shallow let's go deeper  
Tease me till I feel that satisfaction  
Satisfaction
