

Seven Days A Week

Darin

We've been talking on the phone for hours and hours
You can give me a call whenever you like to
And if you would fall you know I will catch you
I'll stick around, I'll be right beside you
Woh ho ho

I'm sure you always knew what you had to do
And I'm sure you had your reasons, you change 'em every season
Hold on, hold on

I'm taking a vacation,
I'll see you at the station
Hey, hey, hey

Seven days a week, every minute of the day
Oh woh ho, woh ho
I've been thinking about you and what you've been up to
Seven days a week, every minute of the day
Oh woh ho, woh ho

Girl you're living in danger,
you're sleeping with strangers
No nothing can change us,
no nothing can keep us from falling
From falling
We've been talking on the phone for hours and hours
You can give me a call whenever you like to
Yeah if would fall you know I would catch you
Yeah I'll stick around, I'll be right beside you
Woh ho ho

Girl you're out of your mind, you're my partner in crime
I'm sure you had your reasons, change 'em every season
Hold on, hold on I'm taking a vacation,
I'll see you at the station
Hey, hey, hey

Seven days a week, every minute of the day
Oh woh ho, woh ho
I've been thinking about you and what you've been up to
Seven days a week, every minute of the day
Oh woh ho, woh ho

Girl you're living in danger,
you're sleeping with strangers
No nothing can change us,
no nothing can keep us from falling
From falling

And I'm sure you had your reasons,
you change 'em every season
Just hold on, yeah hold on

I'm taking a vacation, I
'll see you at the station
Hey, hey, hey

Seven days a week, every minute of the day
Oh woh ho, woh ho
I don't wanna change you, I just wanna see you
Seven days a week, every minute of the day
Oh woh ho, woh ho
Girl you're living in danger,
you're sleeping with strangers
No nothing can change us,
no nothing can keep us from falling
From falling
Ooh ooh ooh ooh ooh
