

## The Way I Am

Darin

Ohoo, oh  
Yeah  
Come on now  
Babie  
Woh

You can't fight the moonlight  
And you can't stop the time  
It's the way it is  
And That's the way I wanna be  
Cause that makes me feel free  
No matter what

Night after night  
Day after day  
You're tryin to tell me to change

It's just the way I am  
The things I do  
It's just the way I feel  
When I'm around you  
Don't think about the reason why  
It's not a lie  
I know that deep in my heart  
It's the way that I am

I don't wanna go back again  
Oh no  
I don't wanna make the same mistake  
Then I might lose you  
Thats the way it has to be  
We both have to feel free  
When it comes to our dreams  
Oh

Time after time  
I keep tellin you that  
Nobody has to change

Night after night  
Day after day  
You're tryin to tell me to change
