

Dancing Dead

Dark Divine

Hey
I can tell you're not happy with how you're living
They
Want to make you feel like you're the one who is not
Okay
It's time to embrace your own insanity
Just come inside and let us take all of the pain away

Let yourself be something else
You're falling under my spell

We're dancing dead tonight
So don't be a stranger
Because I'll be your savior
I know you're dying to feel alive
Just live in the moment
We're making the most of our time
No more fear of wasted years
We're leaving them behind
Because we're dancing dead tonight
And no one can tame us
I know that you're dying to feel alive

Go
Dying to feel alive

Just relax
The medicine will remedy your pain
We're the same
Just looking for someone to save
Did you know
I was once just like you
Desperate and willing to
Drink my fears away

Raise your glass to your new savior
Come enjoy this one last dance

We're dancing dead tonight
So don't be a stranger
Because I'll be your savior
I know you're dying to feel alive
Just live in the moment
We're making the most of our time
No more fear of wasted years
We're leaving them behind
Because we're dancing dead tonight
And no one can tame us
I know that you're dying to feel alive
