

# Ineffable Kings of Darkness

## Dark Funeral

I am one with satan  
I am the horned beast  
I am thy mighty emperor  
ruler of the dark domain  
my body is a temple  
wherein all demons dwell  
a pantheon of flesh am I  
am I  
hail me the horned one  
I am the beast  
I am the truth  
I am everything  
wherever life is born  
I am the flame  
wherever death will strike  
I am the knife  
wherever evil dwells  
I am the one behind  
infront of the ineffable king of darkness?  
you shall die!!!  
I am one with satan  
I am the horned beast  
I am thy mighty emperor  
ruler of the dark domain  
my body is a temple  
wherein all demons dwell  
a pantheon of flesh am I  
hail me the horned one  
I am the beast  
rege satanas, ave satanas, hail satan!
