

# When Angels Forever Die

Dark Funeral

Lighting storms  
Descend across the sky  
Arrival of the horned  
The coming of our lord  
Lucifer  
Thy legions are set free  
Demon hordes  
Awaiting his return

Dark age  
Kingdoms lost in shadows  
Fallen empires  
Cursed by unholy lord  
Bominions  
Buried into ashes  
Ancient realms forlorn  
Into eternal darkness

Damned domains in darkness  
Eclipse of land forlorn  
Ruins of a kingdom gone  
Once ruled by god

When angels forever die  
When satan has arrived  
When satan rules the world for eternity

Storms of damnation  
Caress the mourning sky  
Demon hordes from realms below  
Show the mighty force of hell
