## Dark Lotus

"And they wanted to know if I would trade 10 juggalos for a 100 main stream fans And I said I wouldn't trade 10 juggalos for a 100,000 mainstream fans 10 juggalos is priceless"

I gots love for my homies, members of the Lotus  
United we stand, squashing all deadly forces  
Been to hell, could of spent eternity there  
All the bad shit I've done, I should still be there  
Juggalos can ya feel me, feel me, worldwide, worldwide  
Running with the hatchet straight out the Lotus Pod  
Always got your back till end screaming juggalos  
Dark lotus, psychopathic that's the way you go

So many people in the matrix die alone, hey  
Not me, my soul belongs to juggalos, they  
Keep me going when I'm down and out  
I pick up the phone drop them a line and here them shout  
Saying Twiztid is the shit, and I'm down with the clown  
Dark Lotus for life until I'm dead in the ground!  
I give a shout to all my homies and killers who get it started  
All my juggalos always representing for the departed

Mass murder makes me happy!  
Dead bodies make me happy!  
Say what you will of me!  
I'll always have juggalo family!  
Mass murder makes me happy!  
Dead bodies make me happy!  
Say what you will of me!  
I'll always have juggalo family!

6 individuals pedals fall from 1 stem  
Who try to run away and not follow any trends, with no friends  
Cause we ascend from the same dirt, filth, grit, and grime  
Make your mind, juggalo minds to crush mainstream shines  
Whats yours is mine it was mines is yours  
Let the wagons of the Dark Carnival show you different worlds  
Any hoes front a juggalos or the hatchet  
Tell them to come suck on your dick, bitch, we psychopathic!

All my life I've been living it all alone  
I'm like a king with no people and no crown or a throne  
And what I'm speaking on is what I'm feeling like  
Do you know what it's like to feel the warmth of the sunlight  
I'd really like to know cause I've been chilling in the dark  
For so many years that I question love in my heart  
And I hate everyone, and I hate everything  
Except for all the juggalos and the love that they bring!

Mass murder makes me happy!  
Dead bodies make me happy!  
Say what you will of me!  
I'll always have juggalo family!  
Mass murder makes me happy!  
Dead bodies make me happy!  
Say what you will of me!  
I'll always have juggalo family!

Let me get yo ear Imma make myself clear!  
Its the "L" family juggalos rightchere!  
You can take away my mic! You can take away this life!  
But the love that we got it aint never gonna stop!  
We eternal past this earth and bullshit! Whoop!  
Dogs on another level can you feel this!  
Its Twizted Blazed and ICP and if you fuckin with my dogs boy you D-I-E

If it wasn't for Shaggy my shirt would still be baggy  
I wouldn't be fat, I'd still be hungry and crabby  
We used to buy our own records at the stores  
So they would think it's a hot seller, and order more  
But we built a team of same killers with the same dream  
But we couldn't reach the top, we'd stay B level like Charlie Sheen  
We finally realized we will always have the juggalos  
I'll never give another second, to the mother hoes!

Mass murder makes me happy!  
Dead bodies make me happy!  
Say what you will of me!  
I'll always have juggalo family!
