

## Cold Embrace

Dark Lunacy

Missin' You  
Wish for your Cold Embrace  
The Shadow' S Takin' All My Days  
The Blacklands' Cleaving All My Visions  
Help Me To.... My End  
Take Me 'Till... I'll Shine  
Like A Rainbow  
In This Nightfall  
Like A Shadow  
In My Dawn

A Smile For My Demon' S Cry  
A Tear For My Demon' Sleep

I Sorround  
Where Dreams Are Layin' Down  
Wander. Over Cryin' Pathways  
I Can Feel You Callin' My Name:

A Smile For My Demon' S Cry  
A Tear For My Demon' Smile

Climbin'.... Down  
Fallin'..... High  
Burnin'..... Blind  
Through My Longest Night ,  
Of My Life, Of My Eyes

Shades On Me  
Shine In Front Of You  
I Can't See, I'm Scared, Of You  
...I Take Care Of You

The Shadows' Takin' All My Days  
The Shadows' Takin All My Days  
The Blacklands Cleaving All My Visions
