## **Dies Irae (Amadeus)**

## **Dark Moor**

Confutatis maledictis flammis acribus addictis When the sun is flustered and the moon is free The great little master Writes a little melody the notes fever's in my breast aches to be away Eternal wisdom in glorious kingdom that is my sole wish [Bridge:] the first violin lead me while the harps embrace me like the blood the madness beats my art In the stage my baton cuts the air in a world I never made, a man [Chorus:] Dies Irae, Dies Illa Solvent saeclum in favilla Teste David cum sibilla quantus tremor est futurus quanto judex est venturus cuncta stricte discussurus The sound is around long live to the king never falling down Rex gloria; Rex gloria witness of the time spirit is sublime no more feels of pain no more hate a revenge is going away Where is my destiny? Where is my fantasy? I need to free my soul and cry someone to pray for me I need to free my soul and will die there wells up the only tear we shed without woe and ride like the wind because the music is enthralled the note's fever in my breast aches to be away Eternal wisdom in glorious kingdom that is my sole wish [Bridge] [Chorus] the soft step to your bed is not worth pursuing you will so soon be dead death will serve instead turns to the thing he was born to be a master to the king keep your fancy free

in the deep of the sea
Salva me, fons pietatis
[Bridge]
[Chorus]
