

## Living in a Nightmare

Dark Moor

Silence in black  
Is coming back,  
There is a Light somewhere.  
Monsters are shade  
That never fades  
From unreasonable dreams...  
I can think  
In black ink  
About the world  
Tragic.  
World of magic.  
Master.  
Was disaster.  
Goya.  
Living in a nightmare.  
Manic.  
Mind in panic.  
Freeman.  
Cult of demon.  
Goya.  
Living in a nightmare, aye!  
Candles and nights,  
Blood and bullfights,  
Also an 'akelarre'.  
I can think  
In black ink  
About the world  
Tragic.  
World of magic.  
Master.  
Was disaster.  
Goya.  
Living in a nightmare.  
Manic.  
Mind in panic.  
Freeman.  
Cult of demon.  
Goya.  
Living in a nightmare, aye!
