

The Golden Moth

Dark Sarah

Hi, is it you? I have to go
I know I have to, I have to go
I felt inside me that you would leave me

I have to go

Is it you, is it you?
I'm cold, I'm cold
Is it you, is it you?
I'm cold, I'm cold

Where have you been? I've been alone
There's so much darkness, I thought you were gone
But here I am now with you and your mind
I thought you were gone

Is it you, is it you?
I'm cold, I'm cold
Is it you, is it you?
I'm cold, I'm cold

Like a ghost
From its host
The golden moth flies from the innermost
Where has it gone?
Towards the sun, dropped her wings one by one!

Is it you, oh is it you?
I'm cold, I'm cold
Is it you, oh is it you?
I'm cold!

(Is it you, is it you?
I'm cold, I'm cold
Is it you, is it you?
I'm cold, I'm cold)
