

## Apathetic

## Dark Tranquillity

Take the loss to heart  
A new beginning  
Start anew  
Apocalyptic bliss  
Lost to the hours  
Bare essential needs  
Succumb to this  
Non-reality

Sometimes I feel  
What silence best describes  
Sometimes I feel  
Apathetic to this life  
Turn your back  
On helpless failures past  
Awakening  
Shut the mind  
To equal parts of nothing  
Reality now  
Wicked  
The sense of nothing lost  
Will of the steerless ones

Face away  
From the garish light of day  
Remembering  
Something I supposed  
To have believed  
Reality now  
Face away?
