Hours Passed in Exile

Dark Tranquillity

What if: A) some things are destined to failure B) some things are never meant to be C) someone never sees D) someone never opens E) somehow we are different Though I never claimed to be right Give to me the benefit of doubt I brought you fires That you put out I brought you fires For I cannot be without I came with sadness But this my shattered heart can't bear What of the times in exile What of the hours passed What if touches seem too trivial You can never tell me I'm wrong A song I've heard so long So what if healing takes forever So what if time is meant for others So what is left is but a shatter And what is broken can't be whole
