

# I Hate The Unseen

Darkbuster

Last week at the Randolph K of see  
We played with Zippo Raid, Toxic and The Unseen  
It was a great time, I got drunk out of my mind  
The only thing that I regret  
Is that I never said  
I Hate The Unseen  
And that's something that I ain't afraid to say  
Hey, Hey, Hey  
I Hate The Unseen  
If they were in the room I'd walk right up and say it to there  
face  
There singin songs about social security  
But that don't matter to you and me  
I Hate The Unseen  
And that's something that I ain't afraid to say  
Hey, Hey, Hey  
I Hate The Unseen  
If they were in the room I'd walk right up and say it to there  
face  
With there songs about social security  
But that don't matter to you and me  
There cool punk haircuts and there leather clothes  
I'd like to punch that Billy Idol looking motherfucker  
Right in his nose  
I Hate The Unseen  
And that's something that I ain't afraid to say  
Hey, Hey, Hey  
I Hate The Unseen  
I wish they'd just pack up all there shit and they'd move away  
I Hate The Unseen  
I Hate The Unseen  
I Hate The Unseen  
We Hate The Unseen  
I Hate The Unseen  
And that's something that I ain't afraid to say  
Hey, Hey, Hey  
I Hate The Unseen  
I wish they'd just pack up all there shit and they'd move away  
I Hate The Unseen  
I hate em, I hate em  
I Hate The Unseen  
I hate em, I hate em  
I Hate The Unseen  
I wish they'd fucking die  
Or at least get in a bad car accident
