Liquor

Darkbuster

Gotta get a little more liquor in me Gonna get so drunk I can't hardly see When the rooms spinning Spinning around...

I'll Chug Another One Down

Gonna get loaded and fall on my face I'm so drunk I'm kicked out of this place When the rooms spinning Spinning around...

- I'll Chug Another One Down
- I'll Chug Another One Down

Whiskey, Jack Daniels, Jim Bean & Coke On my own vomit I hope I don't choke They're pumping my stomach The rooms spinning round

- I'll Chug Another One Down
- I'll Chuq Another One Down
- I'll Chug Another One Down
