

# Not Guilty

Darkbuster

I went to court today  
They took my license away for operating OUI  
I saw the magistrate, He said kid get it straight  
You just can't drink and drive

I took my old Ford van  
Full of empty beer cans, Drove up Route 106  
I passed a police man, He pulled me over  
And then said "Recite Your Alphabet"  
"ABCDEFGHIJKLMNOPQRSTUVWXYZ"  
And then I stopped at U  
I didn't quite know what I'd do  
I guess I failed the mans sobriety test

But Im Not Guilty  
Your Guilty  
Well Im Not Guilty  
Your Guilty

I had to wait in jail, Till my mom could get me bail  
I got a lawyer too, He said I might be in luck  
For 75 hundred bucks, To see what he could do

But Im Not Guilty  
Your Guilty  
Well Im Not Guilty  
Your Guilty

But Im Not Guilty  
Your Guilty  
No Im Not Guilty  
Your Guilty  
Im Not Guilty  
So Please Wont You Give Me My License Back
