

Pippi Longstocking (Is A Redheaded Bitch)

Darkbuster

Pippi Longstocking is a Redheaded Bitch

I love Lucy and Annie's Great
But there's one redhead that I f**king hate
It's the Wendy's girl that she's mocking
The bitch I'm talking about is Pippi Longstocking

Pippi Longstocking is a Redheaded Bitch

It's not here hair that causes me grief
It's the fact that the cunt is a thief
She walks around so proud and thin
I'll rip all her hair out til she's Pippi Long skinhead
