Rudy

Darkbuster

I said now now Rudy
Rudy is a rude rude boy
yeah said Rudy
Rudy is a rude rude boy

Tonight, I can't stop rockin'
Rudy is a rude rude boy
I'm gonna tell you all somethin' shockin'
Rudy is a rude rude boy

I said now Rudy
Rudy is a rude rude boy
well now now Rudy
Rudy is a rude rude boy

Tonight there gonna be some trouble
Into the city's own
Yeah tonight, all kinds of trouble
No one's gonna left alone
Tonight there gonna be a breakout
Into the city's own
Yeah tonight all systems break out
No one's gonna left alone

I said now now Rudy

Well now now Rudy
