

## Shoulda Known Better

Darkbuster

I lost my love, I lost my inspiration.  
It was right in front of me.  
My every thought, my every inclination  
is to start a killing spree, but my self-esteem  
and confidence were lost along the way.  
Shoulda known better.

I shoulda known. Shoulda known. Shoulda known. Shoulda  
known.

There was a will, there was a way to always make it  
better  
before it all went black (black black)  
And that's ok.  
You're a shamrock wearing devil  
I'm gonna violently attack.  
You're a they say a you're a man you will threaten me  
with harm.  
Shoulda known better.

I Shoulda known. Shoulda known. Shoulda known. Shoulda  
known.  
I Shoulda known. Shoulda known. Shoulda known. Shoulda  
known.  
I Shoulda known. Shoulda known. Shoulda known. Shoulda  
known.  
I Shoulda known. Shoulda known. Shoulda known. Shoulda  
known.  
I Shoulda Known, Known, Known, Known.
