

Makin' Out

The Darkness

Yow!
Goin' steady in a secluded spot
And I'm leavin' nothing to chance
'Cause the panting's heavy and the temperature's hot
I'll make it come in advance

Making out
It's getting better and better
Makin' out
The back seat's getting wetter
Making out
I think I'll take off my sweater, oooh
Makin' out
Give me a F-F-French...my child
Making out

G-G-G-Get ready, 'cause ready or not
I am adopting a stance
And the panting's heavy, girl i like what you got
Lord, don't you ever stop the dance

Making out
It's getting better and better
Makin' out
The back seat's getting wetter
Makin' out
I think I'll take off my sweater, oooh
Makin' out
Give me a F-F-French...kiss

I never had a torch that shines as bright as the one I'm carryin' for you
Girl, I know that you're feeling this bad, but you know I'm gonna see this
Whoa, I'm gonna see this thing through
Mama mama mama makin' out with you

Making out
It's getting better and better
Makin' out
The back seat's getting wetter
Making out
I think I'll take off my sweater, oooh
Makin' out
Give me a F-F-French...

My, my , my-you're like a fish out of water
Take it off
Can't take my eyes off your platter
Give me more
The back seat's getting wetter, aaah
Making out
