So Long

The Darkness

I am so hungry
Got a love that puts me off my food
I just wanna hold her
I just wanna hold her in the nude
In the nude

But it's been so long
Since we said so long
Can't do anything right
Anything wrong
It's been so long

I still see her big brown eyes
And in her eyes I could do no wrong
Well maybe her eyes were blue
Maybe I should check before I write
This song

But it's been so long
Since we said so long
Can't do anything right
Anything wrong
It's been so long

Why is it so hard to write?
Maybe there is nothing left to say
She's like an angel
That threw a little light upon my path
And flew away

And it's been so long
Since we said so long
Can't do anything right
Anything wrong
It's been so long
And it's been so long
Since we said so long
Can't do anything right
Anything wrong
It's been so long
