

# Southern Trains

## The Darkness

Air-con set to sub-arctic  
If it moves it isn't quick  
Major delays, cancellations  
Tedious conversation  
Trying to eat your dinner with an ass in your face  
It's a disgrace

It's a journey into pure despair  
There are fucking assholes everywhere  
I can smell piss and shit in the air  
Fuck you, southern trains  
We're not getting anywhere

Journey into pure despair  
I just wanna get somewhere  
Throw away the itinerary  
The whole rat race in one place, stationary  
On your marks, get set, stop  
Southern trains are top (uhh)

It's a journey into pure despair  
There are fucking assholes everywhere  
I can smell piss and shit in the air  
Fuck you, southern trains  
We're not getting anywhere

Them southern trains  
Choo-choo!  
Boo-hoo!  
Yeah!  
Them southern trains  
Choo-choo!  
Boo-hoo!

Heaving carriages of indignation  
Grown men weeping in pure frustration  
Totally packed and always late  
Into the tunnel of hate

It's a journey into pure despair  
(Got me on the rails)  
There are fucking assholes everywhere  
(It's a steam age nightmare)  
I can smell piss and shit in the air  
(Slower than snails)  
Fuck you, southern trains  
We're not getting anywhere
