Fly another country  
Money ain't sleep  
Buy her a Birkin, make it look cheap  
Looks so sweet, dunno how she looks street

Two girls fighting tryna cuff cuff

Them guys full of shit, I can smell it on their breath  
Largest of melons, please speak with your chest  
She gone give me brain, it's an educated guess  
Look, she come through and show me nuff' love  
Got dropped in the field? Boy tough luck  
Thought you was the real deal, but you mucked up  
African queen, come sweet like my puff-puff  
Forget them man, they ain't like the rest of us  
Done the kid wrong it happens to the best of us  
But that's the way that it goes  
Hope for the best and we break in your home  
Smoke to the chest and it's caving my dome  
Loads of the peng and it came in a boat  
I ain't got time entertaining a hoe  
'Less she got time to be taking the bone
