

# Kryptonite

DARKOO

(Scratch mixed it)  
(AJ)

Ice on me, baby, that's cold (That's cold)  
Take your time for me, baby, go low (Go low)  
In the R8, cousin, go slow (Go slow)  
Take a taste for me, baby, control (Control)  
Come my crib tonight  
(Baby, gimme love, make me go insane)  
You're my kryptonite  
(If I do it fast, would you say my name?)

Tough time never last, only tough people last  
In the brand new Range and the ceiling's glass  
What you know about that?  
Spend your mortgage on my drip  
Yeah, my nigga, do the maths  
I'ma show you what you never seen before  
Baby, I'ma take you on tour  
All this lovin' got me knockin' at your door  
Now I got you beggin' for more

You got that magic (Magic)  
You do, do  
Magic, oh, true  
Don't need no practice  
Ooh, ooh  
Practice, ooh

Ice on me, baby, that's cold  
Take your time for me, baby, go low (That's cold)  
In the R8, cousin, go slow (Go low)  
Take a taste for me, baby, control (Go slow)  
Come my crib tonight (Control)  
(Baby, gimme love, make me go insane)  
You're my kryptonite  
(If I do it fast, would you say my name?)

Henny on Henny on Henny (Henny)  
Ayy, drive the boat, be steady (Steady)  
And if my niggas pull up, be ready (Gang)  
And if my niggas pull up, be ready  
And I'ma show you 'bout life, you never seen before, before  
And I'ma take you on a ride you never been before, before, yeah

You got that magic (Magic)  
You do, do (Magic)  
Magic, oh, true  
Don't need no practice (Practice)  
Ooh, ooh  
Practice, ooh

Ice on me, baby, that's cold
