

She Like

DARKOO

Smooth, clean cut
You know the money train don't stop, B
We're young and still be the street stoppers
Scratch mixed it
106 shit
A-J

Says she likes F boys, trappers, real life gangsters
'Cause they ringaling on my phone
She got a ting for a rapper, big time hustler
'Cause the money come so long
She just want to feel it for my fun
Tell me if you wanna give it up
I'm just tryna tap and run it up
Baby, this a feeling from above
You know I've got it
If you wanted more

Freedom is a must, damn
That one is the reason why I'm cuffed, damn
Brush off the sugar, need a dustpan
Fly off to Holland, like the Dutchman
She want a six figure nigga, so I'm creepin' it
Hit it off the backboard, then I'm steeling it
Love you like a gangster, Raven Baxter
I can see the future, you're my Cleopatra
Bro's hiding from the Jakes, like I hide my Snapchat
I ain't no Marcello but I'll run and track back
Preein' of the pretty, then I shoot, Aspas
Think I'm gonna ghost? I ain't Casper
City girl, she just wanna snap some interiors
I'm a city boy 'til I'm serious
They ain't making sense, they delirious
Toxic traits have them curious

Says she likes F boys, trappers, real life gangsters
'Cause they ringaling on my phone
She got a ting for a rapper, big time hustler
'Cause the money come so long
She just want to feel it for my fun
Tell me if you wanna give it up
I'm just tryna tap and run it up
Baby, this a feeling from above
You know I've got it
If you wanted more

Tough times never last
Yeah, I've got axe on the track
Tryna put the ends on the map (Tryna put the ends on the map)
We've got the hunna's and the figures, no tax
Bad B, I hit it to the max
Call her on my burner, tryna keep her on the low, like I'm Burna
Oh, light in up in my burner
Red, brown, that's murder, that's murder
Hasta la vista, take you around the world on my visa, yeah yeah
In the coupe, es bonita, says she got a thing for a dealer, yeah yeah
Hasta la vista, take you around the world on my visa, yeah yeah

In the coupe, es bonita, says she got a thing for a dealer, yeah yeah

Baby, this a feeling from above

You know I've got it

If you wanted more

Says she likes F boys, trappers, real life gangsters

'Cause they ringaling on my pho-pho-phone

She got a ting for a, ting for a big time hustler

'Cause the money come so long
