Would You like to go for a walk? Essential for You... May I introduce You to my words: Small amusements give You joy You don't think about it's sense stupid guy... I deny You, I despise You You're the one 'bout whom I laugh Go to hell now, get a move on! Follow my advice! I deny You, I despise You You're the one whom I regret Go to hell now, get a move on! I'll show You, go to hell! Truth it has no value for You You keep up appearances Shut Your gob, now I am talking! A fat lot You know about the truth Now our ways will seperate forever Forget my words and live the world You live Now it's time to say good-bye to You Walk Your path again and keep a fool!
