

Gone Too Soon

Darkside

You don't know
You could have followed me to the sun
You don't know
Gonna find me all alone

Gone too soon
Gone too soon
Gone too soon
All alone

You'd better find me, no more
You'd better find me all alone
Gone too soon
Gone too soon

Thank me, never wrong
Gonna meet a sinner (unherable)

Gone too soon
She was gone too soon

Gone too soon
Gone too soon
