

# The Limit

Darkside

I'm turning around  
No, I can't see the ground  
Don't sow what you reap  
Don't feel what you see

Submit to the pace  
The waters erase  
Nothing left to see  
I'm you and you're me

Don't single it out  
Don't simplify it  
Don't kill what you know  
Don't speak when you reach

The limit

The limit

Current with no direction  
Current with no direction  
The limit

I'm turning around

No, I can't see the ground  
Don't sow what you reap  
Don't feel what you see  
Submit to the pace  
The waters erase  
Nothing left to see  
I'm you and you're me

Don't single it out  
Don't simplify it  
Don't kill what you know  
Don't speak when you reach

The limit

Yo, tan cerca del vacío  
Tan cerca de tu lio  
Pero sin despegar  
Sin despegar
