Darkthrone

If you think my castle  
Is built on sand  
Well bring on the tides  
You can fuck off and die

If you think my patience  
Is ocean vast  
Or river deep  
You can fuck off and die

Fuck off and die!  
Fuck off and die!  
Fuck off and die!  
Fuck off and die!  
Fuck off and die!!

If you think my pain  
Is well preserved  
Then go ahead and try  
You can fuck off and die

Fuck off and die!!!
