

Fuck Off and Die

Darkthrone

If you think my castle
Is built on sand
Well bring on the tides
You can fuck off and die

If you think my patience
Is ocean vast
Or river deep
You can fuck off and die

Fuck off and die!
Fuck off and die!
Fuck off and die!
Fuck off and die!
Fuck off and die!!

If you think my pain
Is well preserved
Then go ahead and try
You can fuck off and die

Fuck off and die!!!
